March - May 2019

Jesus replied: 'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbour as yourself.'

**Spring - a lovely reminder of how beautiful change can truly be...**

Dear friends,

While I write this it may only be February, but buds are appearing on the trees, my daffodils have broken through the anti-weed barrier we laid down and life is slowly returning to the outside. I came across a lovely wee phrase that sums up not just how beautiful Spring can be, but actually a truth about life in general. "Spring is a lovely reminder of how beautiful change can truly be." For most people change is something we do not enjoy. We are creatures of habit, we like the tried and tested way of things, change brings a certain level of discomfort and so sensibly we try to avoid it where possible. Yet we also know that change is something that is required. Both Kirk Sessions met in conference in January to discuss the decline of the Church of Scotland and there is no doubt that we are heading through a "winter" in the church that no-one has seen the like of.

The statistics make sobering reading: Between 2005 and 2015 the Church saw a drop of 30% in the number of members a loss equivalent to an average-sized congregation per week for 10 years! With falling congregational numbers this naturally leads to a parallel fall in income. The rapid decline means the Church nationally is running at a deficit and has 'more buildings than it needs or can sustain'. In the next five or six years there will also be a shortfall of around 300 paid ministers with 75% currently over the age of 50. Simply put the present model of one Minister to one parish is no longer sustainable, with the impending shortage both of ministers and funds to pay them.

So whether we like it or not, change is on its way, because after Winter there is always Spring. Jesus said in reference to the “winter” of his own death: “Very truly I tell you, unless a grain of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds. Anyone who loves their life will lose it, while anyone who hates their life in this world will keep it for eternal life. Whoever serves me must follow me; and where I am, my servant also will be. My Father will honour the one who serves me.” (John 12:24-26)

Yet as Jesus, we in the church, above all people, are people of hope. People who believe that there is life beyond “winter.” But even more than that, the new Spring, the “change” that awaits us may be uncomfortable, may be different from the past, may not be to our tastes, but it will be beautiful for God is at work. For as someone said “all the flowers of all the tomorrows are in the seeds of today”, God will take what has been and change it to something beautiful! Just like the daffodils that have broken through my anti-weed barrier, there is nothing that can stop our Great Big God!

God bless

## Cycle Nepal 2018

We have now closed the fund set up to sponsor Lisa's ride in Nepal. We have been able to send £3700 to EMMS (Edinburgh Medical Missionary Society). This is well in excess of the £3,000 target we set ourselves.

From November 16<sup>th</sup> to 25<sup>th</sup> Lisa completed the 350KM ride along busy roads, cart tracks, through the rugged countryside and villages of Nepal. Over the nine days she climbed over 14,000 feet. One hill was 20 mile long! She was one of only four to complete the whole route with the bike.

Lisa met many local folk and was shocked by the poor conditions in which they lived. Yet she found them cheerful and helpful. She was most impressed by the work and dedication of the doctors and staff at the Green Pastures Hospital.

We raised the £3700 (plus other incidental expenses) in various ways: Donations, Quiz, Cake and Candy Stalls, a bucket for loose change at the tills at Eyemouth Co-op where Lisa works.

Altogether Cycle Nepal raised over £46,000 for the unit at Green Pastures Hospital, Pokhara. This will go a long way to providing equipment, staff and training for other nurses in palliative care, bringing essential care to those who desperately need it. Our thanks to all.

## **The Fisherman's Prayer: Thomas Keats**

When far from land on the stormy sea  
There are times when my boat seems frail to me  
Where the rising wind and the monstrous waves  
Have sent many souls to their watery graves

When the fog shuts down and blacks out the shore  
And the heavy seas on the rocks do roar  
Where the hidden shoal and the tricky tide  
Could mean my doom without a guide

In times like this our hearts sometime fail  
And we fear we'll be lost in the stormy gale  
Our thoughts go back to our friends on shore  
And loved ones whom we'll probably see no more

But then at last there is a light  
Shining through the gloom like a beacon bright  
It is our faith in Our Lord we see  
Who rules the raging of the sea

Our thoughts go back to the story true  
Of Our Lord who protects His disciples crew  
Who were fishermen just like me  
And we follow their tradition of the sea

So now all fishermen be of good cheer  
And always remember Your Lord is near  
The word of a hymn which can give courage to thee  
Are "Jesus Saviour, Pilot Me".

### Coldingham Priory Model

Rennie Weatherhead, who sponsored the construction of the Priory model, politely requests that it not be used as a shelf or display area for other materials. The model is often admired by visitors.

### Kitchen Doors

As the Director of Events, I often show groups round our beautiful building and I would humbly ask that the kitchen doors and surrounding glass are kept free from everything except glass-cleaner! Your cooperation is appreciated.

## The Guild

After our first successful Summer Guild last year, we are preparing to restart at the beginning of April. Our visiting speakers last year enjoyed seeing the town, the harbour and beach and we all appreciated getting home in daylight.

## **Eyemouth Parish Needs and Appeals**

Income to the Needs and Appeals fund is from donations given at the teas after the Sunday morning service. We respond to local needs and wider church appeals. Any person can suggest where assistance should be given by contacting the Minister or Jim Evans. This fund enables our Church to show its concern for local the local community as well as the wider church needs. It needs Church members to call attention to needs in the Community so that the Church might respond.

### **Easter Hymn “O Light of Life”**

Dark night is past the sun is slowly rising  
above a tomb with the stone rolled away  
Deep in the gloom bright angel lights are shining  
beside the place where our Lord’s body lay  
In trembling hope the faithful ones are waiting  
behold there breaks the Resurrection dawn

Rise with the sun our Saviour is waking  
O Light of life a light that never dies  
O Light of life  
O Light, O Light of life.

Christ is alive triumphant voices singing  
across each land his glory to proclaim  
All round the world glad alleluias ringing  
Sing loud and clear the message is the same  
Christ is alive the power of death is broken  
Christ is alive his kingdom come on earth

Rise with the sun our Saviour is living  
O Light of life, a light that never dies  
O Light of life  
O Light, O Light of life.

## The Cross and the Crucifix

That divisive symbol of Christian unity,  
the one that is empty, the one with wee mannie.  
Image of pain for us beyond belief,  
or vision of hope for our soul's relief?  
Yellowing plaster, thorns, red blood  
or polished and smooth, guilty wood?

The present man nailed to a tree  
or absent God setting us free?  
Do we shed tears as we hammer in nails  
or marvel at death's death where hope prevails?  
Can we share in both versions, as true and equal,  
seeing crucifix half empty and cross half full?

## Priory Congregational Supper - Thursday 2nd May 6.45 pm

A Congregational Supper, followed by the Stated Annual Meeting, will be held on Thursday 2nd May, courtesy of steadfast catering volunteers. There will be a meal and the opportunity for fellowship from 6.45 pm. The Stated Annual Meeting will follow the meal when we can discuss Church finances. We can also elect new Congregational Board Members. If you know of anyone that you think would want to contribute to the deliberations of the Board, or you would like yourself to join, please speak to David Campbell. The evening should close by 8.30pm.

### Coldingham & St Abbs Finances

As you all know our largest financial issue this year is paying for the stonework repair. We have now secured the wherewithal to do the work and this work will start when the risk of frost recedes. I am asked however about the regular expenses of running the Parish, or the General Account outlays and income. This ignores any fabric expenditure on the Church or the Manse. We must present a budget at the Stated Annual Meeting, and this is set out below-

	2019 General Account Budget			
	2017 Actual*	2018 Budget*	2018 Actual*	2019 Budget**
Regular Income	33,866	34,000	35,405	35,000
Regular Outgoings	-34,068	-36,000	-35,572	-41,400
Surplus/Deficit	-202	-2,000	-167	-6,400
Investment Income	6,378	6,400	6,426	6,400
Congregational Capital Contribution/(receipt)	-6,176	-4,400	-6,259	0
Funding	202	2,000	167	6,400

\* Without electricity costs

\*\* With electricity costs

The big story of the last two years is that we have not paid for electricity. But even then, our regular income from donations etc. has fallen short of outgoings. The income from investments has bridged the gap. I am told that the electricity meter is going to be fixed shortly. The budget for 2019 assumes that we will be paying for electricity.

Thus, our budgeted outgoings rise very materially. Perhaps our investment income will be able to meet the difference again. But that difference, though it looks large, is in fact less than £3 per week from each attendee at a typical Sunday service. Or a dozen more attendees each Sunday - *get out and recruit!*

But the broad message is that our current donations to the work of the Church fall short of the resources that we regularly consume – and this is before any fabric repairs are paid for!

*David Campbell, Treasurer*

## **From the Session Clerk, Coldingham and St Abbs**

Session were delighted during the quarter to welcome three new elders, Kath Easton, Els Nicol and Noreen Thompson who continue to make a positive contribution to our church life. The additional elders and reduction in load on some of our elders meant that we re-allocated church members and adherents to elder's districts so we hope that if you have a change in elder that you will make them welcome as they carry out their pastoral duties. Recent additions to our supplementary list of adherents include Mrs Pat Thomson, Mr Richard and Mrs Mary Blake, Mrs Liz Walker, Mrs Monica Powell, Mrs Marianne Lewis and Ms Fiona Gillies. By way of explanation, our 'Supplementary List of Adherents' is the list of those who attend church and wish to be kept informed and receive visits from elders, without the formal step of becoming a member of the congregation. We understand that this can be for many reasons and all are welcome to join the list. Please speak to the minister, myself or any elder if you wish to be on the list, become a member or not sure if you are already there!

House groups continue to thrive with our members leading three of the four meeting at someone's home once a fortnight for fellowship and discussion of some faith-based material. In addition there is a Wednesday fellowship group led by Audrey. Please speak to an elder if you think you would like to try one. There have now been two informal evening services led by house groups who wished to share what they had learned during a series of discussion. One was about a book by Rico Tice called 'Capturing God' (ask if you would like a copy); and the other was on the series 'Mission and Creation Care' which explored the biblical foundation and Christian response to what is called 'Green Issues'.

## **Priory Live – Get Involved!**

We would like to take this opportunity to remind you that once again we will be running Priory LIVE in the Summer for local schools. Priory LIVE is run by the Coldingham & St. Abbs congregation in partnership with Berwickshire Christian Youth Trust, and along with members of other congregations in the area we work together to put on an activity day for all the Primary 6 pupils from the local schools to come and find out about the history of Christianity in this part of the world, focusing mainly on the life of monks in the Priory in medieval times and what Christianity is about. During the day youngsters have the opportunity to take part in activities such as drama, story telling, bread making, pottery work, hand spinning, a prayer journey and creating their own illuminated scripts while being led by “pilgrim guides” dressed as monks to create a realistic atmosphere of life at the Priory long ago.

We've already approached quite a few folks to help out with some of the activities, but we do hope many of you would consider helping out whether as “pilgrim guides” or in the background as it will require a lot of hands-on to ensure that everyone who comes has a really valuable learning experience as well as a memorable day. The event will take place on Tuesday the 4<sup>th</sup> of June from 9am till about 2.30pm. If you would like more information or might be able to help, please speak to Andy, Marianne or Audrey.

## **Away Day to North Berwick**

The next day away will this time be to North Berwick on Saturday 23rd March. In the morning we will spend some time thinking about Jubilee and what that means for us today. During the afternoon there will be time for exploring North Berwick before closing with a short communion service. If you haven't been before, consider putting the date in your diary and joining what is always a very enjoyable day. To enable planning for travel and catering please give your name to Audrey (Coldingham) or Ishbel (Eyemouth) if you would like to go.

## **The Lord's Prayer – Thy Kingdom Come**

Outside Jerusalem, on the Mount of Olives stands a church that is part of a Roman Catholic Carmelite monastery called the Church of the Pater Noster. Originally the site of a church built in the 4<sup>th</sup> Century, during the 12<sup>th</sup> Century crusades it became exclusively associated with Jesus' teaching of the Lord's Prayer. Now the walls of the cloister, the current church and the partially reconstructed ruins of the original church are all used to display plaques that bear the Lord's Prayer in a total of over 140 different languages and dialects.

In amongst these are the biblical Greek version as it is found in Matthew 6:9-13 and even a Hebrew version. Yet the reality is that Jesus most likely taught his disciples using the “common” tongue of Aramaic, the language his disciples would have used to speak to each other even if they each would have had a smattering of Hebrew and Greek. Yet still today when we pray we encourage folk to use their own language, their “common” tongue. We do not spend time learning the prayer Jesus taught in Aramaic, but one that has been translated into a “common” tongue. However in the church we persist in saying the Lord's Prayer in the version that was written in the 17<sup>th</sup> Century for the translation prepared for King James VI & I.

I was challenged about all this while at another Church of Scotland where I was surprised to hear them using a Lord's Prayer similar to the one we have been using recently in services. On asking about it, the minister explained that it was a question of language and perception. It seemed in his opinion to make little sense to pray the prayer that Jesus taught to his unlettered disciples in a language that none of us use in the every day and on another level for visitors it confirmed the stereotype that the church was stuck in the 17<sup>th</sup> Century and had nothing to say to the modern world.

Already we have many folk in our congregations who say a version of the Lord's Prayer that they are more comfortable with when we pray together, so why impose a version in a language that none of us use? The simple fact is when it comes time to pray together the Lord's Prayer we each should pray in the words we find comfortable, like the Church of the Pater Noster it is a beautiful thing to hear it in many different languages, why not find the beauty in the “different” languages we are used to as we pray together?

Thinking about the Lord's Prayer, as congregations we have pledged to join a global wave of prayer entitled "Thy Kingdom Come". This global prayer movement is an invitation for Christians around the world to pray between Ascension and Pentecost (May 30th - June 9th 2019) for more people to come to know Jesus Christ. We'll be taking part, so keep an eye out for events and opportunities to take part yourself. Check out the website for more information and to pledge to pray as an individual over the period. ## Foodbank

We have seen in the last half of 2018 a steady rise in the demand for food from the Foodbank. November was another busy month for the Foodbank with 33 referrals feeding 56 people. December also saw 33 deliveries/referrals which fed 58 people. Through January the Foodbank received a total of 34 referrals which fed 40 adults and 18 children. This easily maintains the average output over the previous six months.

So as we move into 2019 we thank you for the generosity and effort that you will continue to show and display for the cause of feeding the poor and for this Foodbank.

There is no question that the delivered food parcels provide a great source of help, encouragement and support. In one case, we know that the food parcel was literally a 'life saver', as it helped this person get back on their feet. They are most grateful for the care shown to them and that somebody somewhere is thinking about them and their needs. Our stocks continue to be in a healthy state.

*We continue to collect food on a Sunday for the foodbank. If you would be interested in helping out with food parcel deliveries, or taking collected food to the Foodbank store then please contact Andy.*

## **Christian Aid Week 12<sup>th</sup> to 18<sup>th</sup> May.**

Christian Aid continues to support projects that give people a chance to improve the lives of their families. This enables them to have access to improved health care and education as well as such basic things as adequate food and clean drinking water. As in previous years there will be a number of different fundraising activities -

Saturday 5<sup>th</sup> May There will be a sponsored walk from Berwick to St. Abbs along the coastal path. This is not an organised walk so that each person will require to bring their own food and drink. There will however be a backup car waiting at points along the route so that people who do not wish to complete the entire walk can be given a lift home. Sponsor forms and further information from Audrey or Ishbel.

Sunday 12<sup>th</sup> May from 12.15 - 1.30pm there will be lunch in Eyemouth church hall.

Tuesday 14<sup>th</sup> May There will be a coffee evening with a sales table in the Priory from 6.30pm.

Saturday 18<sup>th</sup> May There will be a coffee morning in the Mason's Hall, Eyemouth from 9.30am – 11.30. There will be the usual stalls. Donations would be greatly appreciated.

## **Eyemouth Kirk Session News**

Recently three long serving elders have retired as district elders and we would like to thank Syd Sinclair, David Walker and Alex Gilchrist for all their years of faithfully visiting those in their districts. As a result of these retirements, Audrey Turnbull will now be the district elder in place of Syd Sinclair; Elaine Gibson will take over from Alex Gilchrist and Elizabeth Bennie will take over Elaine Gibson's previous district. David Walker's district will be covered by Willie Gray, Donald Wood and Ishbel Dorward. There are one or two other people who will also have a change of district elder to accommodate these changes. With the changing nature of a minister's work, district elders are the people who now provide pastoral care in the congregation so please tell an elder if you or someone you know would like a visit or is going into hospital. Please also remember that there is weekly prayer for the congregation on a Tuesday morning. During this time there is prayer for people who are ill or facing any kind of difficulty. If you would like prayer for yourself or a family member, or know someone who would like prayer then please complete a prayer request slip which is at the back of the hall or in the pews.
